Members were requested to provide feedback and written questions that will be addressed by the NAWGJ-WA committee with responses posted on the website.

Finance Report-Noelle B.: The current NAWGJ-WA checking account balance is \$29,550.00. NAWGJ WA has invested approx \$19,300 in education funds in the form of reimbursements back to all the judges. \$2820.00 was paid for NAWGJ dues. The NAWGJ-WA Committee will continue to look for ways to support educational opportunities for our judges. Please fill out your Google survey to indicate interest in NAWGJ Symposium.

Assigning-Michelle, Pam & Patty: As a reminder, this is a fluid process and may have to at times move judges around to keep all meets covered. Communication will be provided by the Assigners should this occur. Please be patient as mistakes may happen and the best way to deal with it is by contacting the assigning team who are covering 50+ meets; some of which have weekends with 5. Pam is the club contact and Michelle is responsible for event assignments and gymjas. Patty continues to oversee the process.

Priscilla promoted the NAWGJ National Symposium. Please see the National NAWGJ website to register.

Leah thanked the judges for volunteering at the Candy Corn. Funds from the December fundraiser hosted by Gymnastics East and Emerald City will go to NAWGJ-WA education fund.

CPE forms can be signed by Tom, Dianne, Patty, Priscilla, Denise
The Candy Corn fundraiser can be used for clinic and volunteer hours.
