TOPS

TOPS (Talent Opportunity Program) is a talent search and educational program for female gymnasts ages 8-10 and their coaches. From September to November of each year, gymnasts aged 8-10 are evaluated virtually by zoom on physical abilities. These dates are set by USA Gymnastics.

From there, athletes may participate in skills testing that will take place at invitational competitions, Elite national Qualifiers, and selected Nastia Liukin Cup qualifiers across the country. Each state will have the opportunity to host a TOPS qualifier at an invitational competition in their state.

Based on those results, gymnasts are then invited to participate in the National TOPS Testing in June or July each year, followed by TOPS Training Camp which takes place in July or August of each year.

For more information, contact Washington State's TOPS Manager, Cale Robinson at cale.robinson@pacificreign.com.

Washington Competition Calendar and State Qualifiers

For a competition to be considered a Washington State Qualifier and be included on the USAGWA Competition calendar, the published procedures must be followed.

- Follow Competition Calendar Draw procedures as announced by the State Administrative Committee and held prior to July 1st annually.
- Club must be in good standing and current with USA Gymnastics.
- Designated USAGWA Assignor must be used (currently NAWGJWA) and Judge's request form completed.
- Must have at least 2 judges present.
- Scores must be uploaded to "myusagym".

The calendar is updated as needed throughout the year once clubs have submitted their Judge request form.

The form must be submitted even if you are not requesting judges to be assigned to your meet.

Reporting Meet Results

Meet hosts in the State of Washington are required to send the competition results and a copy of the sanction to the State Chair within seventy-two hours after the conclusion of the meet, as well as follow all National Office procedures. Washington State meet hosts are required to send an Excel spreadsheet (First Name, Last Name, Club, Level, Meet Name, Score) to the elected State Secretary immediately following your competition. If you plan to use out of State meets for qualification purposes, please verify the host will have at least a 2-judge panel (when required) to meet our state's qualification requirements. You must email those results to the State Secretary.

Clubs must register their athletes that qualified to the State Championships on the USA Gymnastics Meet Reservation System within 5 days of the meet they qualified. This will help the meet host with knowing how many athletes to expect. Payment is not due until 30 days prior to the Championship meet or once qualified after those 30 days.

PLEASE do not register your athletes before they actually qualify!

Meet Host Request for Judges

Steps for Requesting Judges

As per Chapter 5 of USAG [Rules and Policies](#)

CONTRACTING OF OFFICIALS

In order to ensure properly rated officials at all sanctioned events, officials may be contracted through a designated and approved contractor.

State Administrative Committees shall determine their officials' contractor and/or assignor to be used for meets that are conducted under the organizational jurisdiction of the State Administrative Committee. USAGWA designated assignor is

NAWGJWA.

A. Regional Administrative Committees shall determine their officials' contractor.

B. USA Gymnastics criteria for selection of officials must be followed.

C. The Meet Director must complete a current "Request for Judges" form and send it to the Contractor, with payment of a maximum of \$5.00 for each official contracted, by the deadline designated by the State Administrative Committee. • If the request is received less than 30 days prior to the competition, the fee is a maximum of \$7.00 for each official contracted. Assignments for such late requests will be based on availability, since there may not be a sufficient number of certified officials available. *USAGWA meet request forms can be found on the USAGWA website.*

D. The USA Gymnastics Judges' Compensation Package will be used at all sanctioned competitions, except for the judging fees for Xcel competitions that have an entry fee of \$35.00 or less. (Refer to Xcel Judging Guidelines.)

E. Meet hosts of Invitational competitions or any meets that are not under the organizational jurisdiction of the State Administrative Committee may use the state-approved contractor or may contract the officials directly using a USA Gymnastics contract. The Meet Director may also request specific judges (by name or by ratings) when they submit a "Request for Judges" form to the state approved contractor.

Additional USAGWA Guidelines for Contracting of Officials

A. Designated Assigner/Contractor duties SHALL include the following:

1. Check availability of judges including out of state judges if needed.
2. Communicate with Meet Director if judges must be found outside of the area.
3. Send judges/MR's specific meet requests from clubs (if any)
4. Assign judges to specific events, unless Meet Director indicates their desire to have Meet referee assign judges to events.
5. Assign meet referees if a specific meet referee is not requested by the Meet Director on the meet request form.
6. Assure judges create contracts for meets they are assigned.
7. Assure judges have the current date, location, session times and levels for each meet.
8. Responsible for ALL communication to the judges regarding changes to the above.
9. Ask for any special instructions for the judges.

The designated assigner is NOT the Meet director of record for sanctioned events so therefore the Designated Assigner/Contractor duties SHALL NOT include the following:

1. Checking or changing the meet format.
2. Checking the number of athletes per session.
3. Setting session times.

ALL MEET FORMATTING QUESTIONS NEED TO BE DIRECTED BY THE MEET DIRECTOR TO THE USAGWA STATE CHAIR.

B. To be placed on the USAGWA meet calendar all forms along with all assigning fees (payable to NAWGJWA) must be sent to the address listed on the current meet request form. The State Chair must also receive a copy of the current meet request form so that the USAGWA committee can compile the USAGWA meet calendars for all meets using information from forms provided by meet directors. Improperly filled out forms or forms without the assigning fees will NOT be placed on the calendar or assigned by the designated assigner. Clubs must be in good financial standing with USA Gymnastics Washington and NAWGJWA to schedule meets.

C. Clubs may request, using the meet request form, specific judges and may also, confidentially, request to not have certain judges assigned to their meets (if judges are or are not specifically requested by meet directors/host the meet director/host is agreeing to have any judge assigned to their meet).

D. Judges are independent contractors and if requested for more than one meet on a weekend will be given a choice, by the designated assigner, to select the meet they would prefer to judge. Meet directors will be informed, by the designated assigner, if there has been a conflict and what the judge's preferred choice was. When the local judge pool has been depleted, with club permission, the designated assigning body will reach out of the area to secure judges to fill meets. Every effort will be made to fill every meet requested and to assign judges within proximity to the club.

E. The USA Gymnastics Judges Compensation Package will be used at all sanctioned competitions. As per the USAG Rules and Policies judges are paid a minimum payment of three hours PER DAY at their rate of pay per their rating. If a change or delay is made in the expectation of payment to the judges, that must be communicated and listed on the judge's contract.

F. To be placed on the USAGWA meet calendar all forms along with all assigning fees (payable to NAWGJWA) must be sent to the address listed on the current meet request form. The State Chair must also receive a copy of the current meet request form so that the USAGWA committee can compile the USAGWA meet calendars for all meets using information from forms provided by meet directors. Improperly filled out forms or forms without the assigning fees will NOT be placed on the calendar or assigned by the designated assigner. Clubs must be in good financial standing with USA Gymnastics

Washington and NAWGJWA to schedule meets.

Meet Directors

The Meet Reservation System provided by USA Gymnastics must be used for all USAG Sanctioned meets. This ensures that clubs can only register current athletes and coaches.

Selection of State Meet Judges

The USA Gymnastics Washington Committee, per the USA Gymnastics Rules and Policies, will select judges for all State competitions. All State Meets are a two-judge panel with a separate meet referee.
